

1/15/24

Happy New Year to us all as we prepare for another year of expanding and improving our MOU!

First, we would like to welcome Tina Tubbs as our new BOD secretary and thank all who participated in the voting process. Tina will be installed at our next general meeting: Monday, February 19, 2024 at 5:00 pm in building F (hospital lower parking lot)

Our MOU is a work in progress and we already have scheduled meetings with admin/HR monthly.

We encourage employees to read our MOU and to know and understand your rights to avoid disciplinary actions, but if you have an issue, please reach out to a union rep immediately.

We will be working on updating our BOD Bylaws with our association attorney in the next month.

We understand when you are off work you just want to go home, but please try to attend an association meeting this year, we would love to see you!

Again, thank you for your continued support
