

February 21, 2024

Hello all!

Just a quick update in case you missed our meeting 2/19/24. It was pouring down rain, streets flooded and trees down everywhere, so due to a poor turnout, meeting was cancelled.

We mainly were going to give updates on negotiations and grievances and inform that we are working on updating our Bylaws.

We continue to meet with HR/Admin at least twice a month to work on MOU issues.

We are averaging about 10 employee issues/disciplinary actions a month and are able to resolve issues before a grievance is filed.

We have a request to have our meetings at 6:30 pm, so we will try that time out next meeting and our next meeting will be:

RCHEA General Membership Meeting

Monday, May 20, 2024 at 6:30 PM in Bldg F (lower hospital parking lot)

Hope to see you there!
